

Welcome to Autumn/Winter at the Coro

The sun may be setting on summer, but we'll be bringing the heat to the Coro with some fabulous shows this autumn!

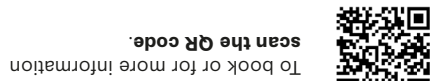

We think this is our most varied season yet from contemporary theatre to thrash metal we've worked hard to bring an incredible mix of bands, comedians, theatre companies and artists to our amazing little town. Join us and be part of the Coro buzz this autumn!

We have two boffs offering a range of drinks and refreshments for you to enjoy before your show and during the interval. We support a number of local suppliers and serve Ulverston Brewery ales and Ulverston's Shed One Gin. We also stock English Lakes Ice Cream. Grab a drink, relax, and enjoy the performance!
